

CHAIN LETTER FOR WOMEN ONLY

This letter was started by a woman like myself in the hope of helping other women that were tired and discontented. Unlike most chain letters, this does not cost anything. Just send a copy of this letter to five (5) of your friends who are equally tired and discontented, bundle up your husbands or boyfriends send them to the women who's name appears at the top of the list, and add your name at the bottom of the list.

When your name comes to the top of the list you will receive a list of 16,877 men, and one of them is bound to be a hell of a lot better than the one you already have.

Do not break the chain....Have faith!!! One woman broke the chain and got her own S.O.B. back. At this writing, a friend of mine had already received 184men.

They buried her yesterday, but it took three undertakes 36 hours to get the smile off her face and two days to get her legs together, so they could closed the caskets.

You must have faith!!

Signed by a smiley face, A liberated women
